

“When I play I learn...

† *That the teacher helps you, and is nice;*

† *That children are friends;*

† *That we have to help each other;*

† *That books open up a whole new world;*

† *That I like learning and going to school...*

† *That I am me;*

† *That I am wonderfully made!”*

-- from *“When I Play I Learn,” an ELEA Early Childhood Education Resource*

At this year’s Summer Camp children will participate in hands-on activities that excite the mind and engage the imagination, by using favorite children’s themes and classic children’s literature! There will be stories, songs, games, arts and crafts and plenty of time for the open-ended imaginative play that builds important skills like problem-solving and getting along with others! Children will enjoy learning across the curriculum -- including art, classic stories, Bible stories, math, science, geography, and history! Summer Camp is a great way to both introduce your child to the world of school or bridge the summer gap between grades. Most staffing will be provided by the wonderful teachers of Saint John Lutheran School.

Our active Summer Camp is available eight weeks – you can choose to come just one or all weeks, come all five days or just three, come all day or just half a day, or any mixture of the above! The Summer Camp is offered the following weeks:

Week One: June 26-30

Week Two: July 3-July 7 (*off July 4*)

Week Three: July 10-14

Week Four: July 17-21

Week Five: July 24-28

Week Six: July 31-August 4

Week Seven: August 7-11

Week Eight: August 14-18

Classes will be offered on a 3-day, or 5-day basis. While the day runs from 8:30 am-3:00 pm, pick-up at 12:30 pm is possible. Any children staying until 3:00 pm will have a nap/quiet time. Same rates still apply. Children are grouped together, with no more than 10 children per teacher or assistant.

To register, parents will need to:

1. Fill out the registration form, and immunization documentation, if one is not already on file in the School Office from the previous or upcoming school year
2. Provide proof of identity in the form of a birth certificate (if not already on file)
3. Fill out an attendance schedule form
4. Pay the appropriate registration fee

Registrations should be received by the school no later than June 9, 2017, in order to reserve a spot. Early enrollments are highly encouraged so that we can have adequate planning time for staff and ordering materials. Each week’s tuition will be due in advance, by the Friday previous to the scheduled week.

*Once your child’s schedule is set substitution of days is not allowed.

*Days missed for any reason are not reimbursable, nor are they allowed to be made up on a different day.

Saint John Lutheran School admits students of any race, color or national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.
