November 2022

WELCOME NOVEMBER!

A family walk through some of God's beauty. Rustling leaves and the sound of the small creatures searching for food. The warm sunshine that sprinkles through the trees, absolutely amazing way to enjoy life.

PASTORS CORNER

Dear St. John School Family,

November 6th will be All Saints' Sunday here at St. John we'll remember all the saints of the church who died and are now in heaven.

"Remember" is a big word even in our everyday activities, as we "remember" to pay our bills on time, "remember" to eat healthy meals and keep our medical appointments and "remember" all the neat activities we do here at the school. AND... Pastor need to "remember" to write the news article on time!

It's big in the Bible too, both in the Old Testament and the New Testament. Jesus himself at the Last Supper told his disciples to remember to eat the bread (his body) and drink the wine (his blood) "in remembrance of me" which we do every Sunday.

Grace and Peace,

Pastor Don

We were offered the opportunity to be a part of the Virginia Zoo's new project called the Pollinator Garden. They offered us the ability to purchase a brick to be placed in the walkway along the garden path. The donation was \$125, and the staff felt it was an awesome idea that our children and their children would be able to go to our zoo and see our brick! Below are pictures of the certificate and our brick that will be an advertisement for us in years to come and allow our students and former students to share with their family and friends, St. John Lutheran School and our desire to be a part of the Norfolk Community!

On Saturday the 22nd we had our “Sock Hop”.

Mrs. Cricket is known for her ability to grow plants and she kindly shares them with us.

Mrs. Cricket uses this money for her classes. Instruments and various items she may use to teach our students. Lots of thanks to her for her love of our school!

After we had blessing of the pets, each student received coloring sheets and as they finish them we are placing them on the front hall bulletin board for all to see. Wow have they done an awesome job!!

Remember to change your clocks on the 6th! “Spring forward, Fall back”. May your November be memorable and full of fun. Winter is just around the corner. Don’t forget to bring a jacket that may be left here at school so if they need it to go outside to play they have one. In Virginia we never know what the weather will be. Blessings to all and thank you for your participation in our fundraisers. We do it for the students and they benefit from it greatly!!
